

Commander Tri-Jet

The **CE approved** 'Commander Tri-Jet' can be used as a chemical fogger or for humidity control. It is simple to use and available in both 110V and 240V. The combination of adjustable valve and the tornado action nozzle allows you to maximize mist up to 30 feet directionally. The versatility of this unit allows you to fog with both water and oil based materials and it may be used either indoors or outdoors.

Applications

Key markets are:

- Food plants
- Pest control
- Humidifying
- Disinfecting
- Hotel room smoke odours
- Care home odour control
- Animal health applications
- Pesticides
- Sanitisers

Specification

Motor	110V or 240V
